Group Long-Term Disability Insurance Plan

FOR MEMBERS OF THE NEW YORK STATE BAR ASSOCIATION

Why not join the millions who have chosen to help protect their families with **New York Life Insurance Company?**

Although many people carry life and health insurance, neither is designed to replace the income you could lose if you were out of work for six months, a year, or maybe more. This Group Long-Term Disability Insurance Plan is designed to help protect your income. It works when you can't.

Eligibility

As a Member of the New York State Bar Association under the age of 60, you are eligible to request this Group Long-Term Disability Insurance coverage as long as you are at FULL-TIME WORK, which is defined as the active performance for pay or profit of the regular duties of one's normal occupation on a basis of at least 30 hours per week and meeting the requirements of continuous employment to qualify for employee benefits. Members of the military and full-time students are not eligible for this coverage.

This coverage is available only for the residents of the United States (except territories) and Puerto Rico.

How the Plan Works

This Plan is designed to pay benefits if you become Totally Disabled. "Total Disability" means an incapacity has left you completely and continuously unable to perform the substantial and material duties of your occupation. Pregnancy, childbirth and related medical conditions are treated as any other illness, provided the pregnancy begins after the effective date of the policy.

Your Choice of Coverage – When applying for coverage, the Plan offers you two benefit duration options from which to choose. Select the Plan that best suits your needs and budget. Premiums do not reduce.

For more information, call a Customer Care Representative:

**Monday - Friday
8:30 a.m. to 4:30 p.m.**

800.727.7770, Opt. 5

- **Plan 65** – pays benefits to age 65, if inception of a covered Total Disability occurs before age 64; or pays benefits up to one year if disability occurs between ages 65 and 70.
- **Plan 7** – pays benefits for up to 7 years, if inception of a covered Total Disability occurs before age 58 or up to age 65, if the inception of disability occurs at or after age 58, but before age 64. Benefits will be paid for up to one year, if disability occurs between ages 65 and 70.

Important Notice for Self-Employed Members: If you have been self-employed for less than one year, a limited coverage amount of \$2,200 is the maximum available and only under Plan 7 with a 90-Day Waiting Period.

Your Choice of Waiting Periods – The Waiting Period is the number of consecutive days you must be Totally Disabled by a covered illness or accident before benefits begin. This Plan gives you the flexibility to choose the Waiting Period, before benefit payments begin, that's most comfortable for you — from 30, 60, 90 or 180 days.

Your Choice of Monthly Benefit Amount – You can apply for a monthly benefit of up to \$10,000 (in \$100 increments). The monthly benefit amount you select cannot exceed 60% of your AVERAGE MONTHLY INCOME¹ when combined with any other disability insurance you may have.

Plan Features

Take heart in knowing that this plan gives you the following standard features to help protect you and your family if you were to become disabled:

Own Occupation Benefit - The Plan pays a monthly income benefit if you become Totally Disabled due to a covered accident or illness, and you are unable to perform the material and substantial duties of your occupation and you are not engaged in any occupation for pay or profit.

Plan Features (continued)

Residual Disability Benefit - If you return to work after a covered Total Disability of at least 30 days, have not received the maximum total disability benefit, you may be eligible for a Residual Disability Benefit, provided your current earnings do not exceed 80% of your AVERAGE MONTHLY INCOME¹ for the period before the covered total disability. The amount paid will be described in your Certificate of Insurance. Residual disability must be due to the same cause as the covered total disability and must occur within 90 days of your return to FULL-TIME WORK.

Partial Disability Benefit - The Plan pays benefits if you have previously received benefits for a Total Disability, your Partial Disability is due to the same cause as your Total Disability, and you have returned to work but are unable to perform one or more of the substantial and material duties of your occupation. Partial Disability benefits will not be paid if you are currently receiving either Total or Residual Disability Benefits. The amount payable for partial disability benefits is equal to 50% of the Monthly total disability benefit. It will be paid for the lesser of six consecutive weeks or the remaining maximum benefit period for the covered total disability.

Premiums Waived if Disabled- After you have been totally disabled for six consecutive months, future premiums are waived while you receive total disability benefits.

World-wide Coverage - Once your application is approved and your coverage is issued, you are protected wherever you travel², whether for business or pleasure, as long as you remain a resident of the United States.

Portable Coverage - This coverage is yours to keep if you change jobs, start your own firm, or if your employee benefits package changes, subject to the provisions outlined in "When Coverage Ends".

Tax-Free Benefits - The benefits paid to you are tax-free; unlike most employer plans, when the employer pays all or part of the premiums, the Monthly Benefit you receive is considered earned income and taxed at your normal tax rate. According to IRS regulations, as long as you pay your own premiums with your after-tax dollars, your disability benefits are tax-free. You may want to consult your personal tax advisor for further information.

1- AVERAGE MONTHLY INCOME means 1/12th of your wages, salaries, commissions, fees and other amounts of income received for personal services before the deduction of income or social insurance taxes, and after the deduction of the normal business expenses deductible for income tax purposes, for the immediately preceding 12-month period. It does not include income from overtime, interest, dividends, rent, royalties, annuities, and other insurance or unearned income.

2- Subject to U.S. government regulations on restricted countries.

30-Day Free Look

Once your coverage is approved, you will be sent a Certificate of Insurance summarizing your benefits under the Plan. If you are not completely satisfied with the terms of the Certificate, you may return it, without claim, within 30 days. We will refund your entire premium contribution and invalidate your coverage.

Summary of Terms and Conditions

Effective Date - Your coverage will become effective on the first day of the month following New York Life's approval of your application (Insurance Date), provided the premium due has been paid within 31 days after you are billed and you are at FULL-TIME WORK defined as performing for pay or profit the regular duties of your normal occupation at the place where you normally perform such duties, and you are performing the duties at least 30 hours per week, on the later of the insurance date or the date the initial premium contribution paid.

If you are not at FULL-TIME WORK on the date your application is approved, coverage will not go into effect until the date you return to FULL-TIME WORK, provided the date is within three months of the date the insurance would have otherwise taken effect, and you are still eligible.

How to Apply

- Complete and sign an Application for Insurance for all parties to be insured.
- Be sure to answer all health questions and collect any documentation requested.
- Place your application and required documentation in an envelope and drop it in the mail.
- Send no payment now, we'll simply bill you upon acceptance.

Don't forget you have 30 days to review and cancel your coverage, so there's absolutely NO RISK in applying!

When Benefits End - The Plan ceases to pay benefits when your covered disability ends, when the maximum benefit period ends, or if any required proof of continuing Disability is not provided, whichever occurs first. You will remain insured after the benefit ends, except when you have reached the end of the maximum benefit period except as provided in "Exhaustion of Benefits" and "When Coverage Ends" sections. (See the Certificate of Insurance for details.)

Exhaustion of Benefits - When you reach the end of the Maximum Benefit Period (determined by the plan under which you are insured – Plan 65 or Plan 7 – and your age when the covered disability began), insurance will be suspended and no premium contributions will be due. Your insurance coverage will be resumed without evidence of insurability if you return to FULL-TIME WORK and so advise the Plan administrator at the number provided herein, remain a NYSBA Member, are less than age 70 and pay the premium contributions due. The resumption of coverage applies to new covered disabilities in accordance with Benefits for Recurring Disabilities, as described below and in your certificate.

Benefits for Recurring Disability- If you return to full-time employment in your usual occupation for three months or more after a total disability, a second claim for that same disability will be considered a new disability.

When Coverage Ends - Your coverage will end if you fail to pay your premiums when due, discontinue your NYSBA membership, reach age 70, cease FULL-TIME WORK of at least 30 hours per week (for reasons other than disability) or begin active duty in the Armed Forces (except for training purposes) of two months or less. The Group Policy can be terminated by New York Life or the NYSBA on any premium due date; or you request to end such coverage.

What Is Not Covered - The Plan does not cover disabilities that are due or related to: air travel, except when the insured is a passenger on a licensed commercial, non-military aircraft; military service; self-inflicted injury while sane or insane; declared or undeclared war, or act of war; pre-existing conditions (except as described below); any disability which does not require a doctor's regular care (regular care of doctor does not include, yourself, a close relative or household member); and any impairment or

disease specified as an "Impairment Restriction" in your Certificate. An Impairment Restriction is defined as an exclusion or limitation of your insurance, established and continued by New York Life, for a condition that existed before coverage was effective. Your Certificate will clearly identify any Impairment Restrictions applicable to your coverage and payment of the first premium will establish your acceptance of any Impairment Restriction. Missouri Residents: The exclusion for intentionally self-inflicted injuries is not applicable to injury caused by an attempted suicide while insane. The benefit period for disabilities in connection with mental disorders and/or chemical dependency is limited to two years.

Pre-Existing Conditions will not be paid until you have been continuously insured under the policy for 12 consecutive months. A Pre-Existing Condition means a condition for which medical advice was given or treatment was recommended by or received from a physician within the 6 months immediately before becoming covered under this Plan. A Pre-Existing Condition does not include any such condition after you've been continuously insured for 12 months. A condition which is classified as an Impairment Restriction is not considered a Pre-Existing Condition.

The Pre-Existing Condition limitation is an extended waiting period, which starts with your insurance effective date, and not a permanent bar from benefits payment. At the end of the 12 month Pre-Existing Condition limitation period, the limitation no longer applies and you may be eligible for benefits for a covered disability resulting from the condition, if you otherwise qualify, subject to all of the terms of the Group Policy.

In determining whether the Pre-Existing Condition limitation applies, the time that you had coverage under any previous group or blanket policy replaced by coverage under the Group Policy will be credited in the event that coverage was continuous to a date of no more than 60 days prior to the effective date of your coverage. Coverage credited to you will apply to the extent that the previous group or blanket policy's coverage or level of benefits is substantially similar to the coverage or level of benefits you elected under the Group Policy.
