

## You protect your patients. We protect you.

The goal of the USI Affinity Medical Malpractice Insurance Program is to coordinate the best insurance products and risk management practices to make a truly customized program that meets the unique needs of Emergency Medicine Physicians. We specialize just like you! So, whether you're a solo practitioner or part of a large healthcare system, you can rest easy knowing our stability and experience is on your side.

## Why USI Affinity?

### PEACE OF MIND

- Work with multiple carriers to craft individual solutions for each physician
- Unsurpassed financial strength ratings of our carrier partners
- Carrier partners provide risk management and education helping you control loss, reduce risks of medical errors and enhance patient safety

### EXPERTISE

- Partnering with carriers that will provide a strong defense against medical malpractice claims
- Leveraging a national footprint to establish a cost-effective structure and provide a financial benefit for our clients

### CHOICE

- Unique insurance solutions across the entire spectrum of carriers
- Claims-made and Occurrence coverage options to give you flexibility
- Comprehensive coverage in all 50 states and D.C.

Consult with our experienced healthcare team to assist you in implementing a medical malpractice program that will protect you against medical malpractice claims.
